ALPIN
Food Space & Restaurant

When a dream comes true

Every occasion deserves to become something memorable, be it a seminar, meeting, or a private or business event.

LUMEN and the **AlpiNN-Food Space & Restaurant** is the perfect location to turn this desire into reality.

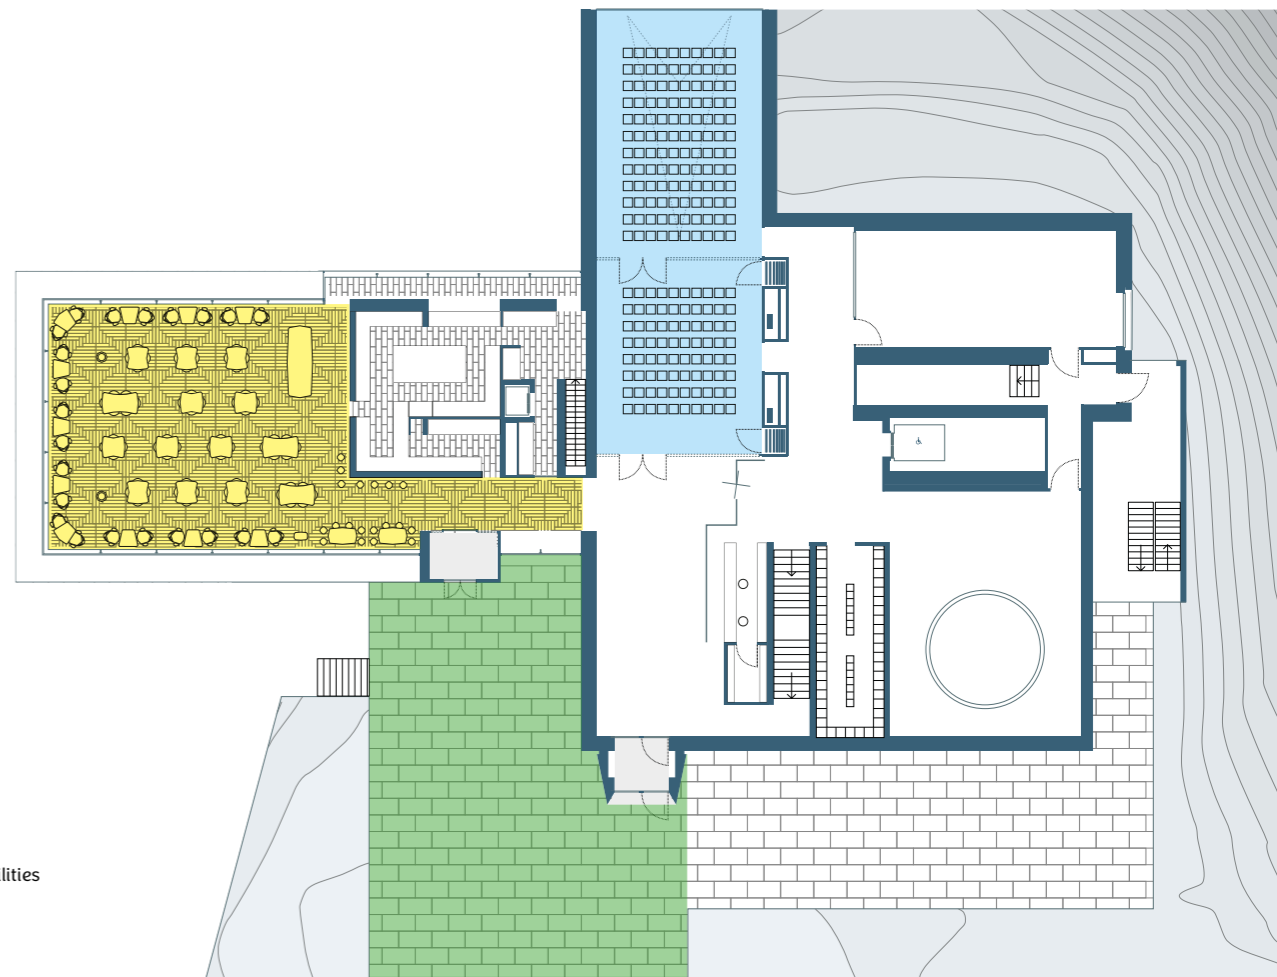

The breath-taking view that you can enjoy from the top of Kronplatz at 2,275 metres above sea level, reaching from the Alps to the Dolomites, is incomparable.

The modern and dynamic architectural structure of the LUMEN museum meets the interiors of the AlpiNN restaurant designed by Martino Gamper, creating an unparalleled fascinating atmosphere. Furthermore, the Cook the Mountain cuisine concept enriches this experience a top the mountain, rendering it unique: it represents a complete offer, also providing the opportunity to use the terrace for organizing outdoor events.
