

WINE LIST

Die Weine auf dieser Karte stammen von Weingütern im alpinen Raum – von Produzenten, welche im Respekt für die Identität des Gebiets arbeiten, welche ihrer Leidenschaft gefolgt sind, ihre Wurzeln schätzen und ihnen einen hohen Stellenwert verleihen.

Jeder Wein erzählt von den Nuancen, den Aromen und den Kontrasten seiner Herkunft.

“Der Wein ist das Lied der Erde zum Himmel empor.”

L. Veronelli

Le etichette di questa carta provengono da cantine situate nell'arco alpino, da produttori che lavorano nel rispetto dell'identità del territorio, che hanno seguito la propria passione e dato valore alle proprie radici.

Ogni uino saprà raccontarti le sfumature, gli aromi e i contrasti della sua terra.

“Il vino è il canto della terra verso il cielo.”

L. Veronelli

The labels on this wine list come from cellars in the Alps, from producers who respect the identity of the territory, who have followed their passion and who understand the value of their roots.

Every wine encapsulates the nuances, aromas and contrasts of its land.

“Wine is the Earth's song to the sky.”

L. Veronelli
